PURPOSE
This operating procedure provides guidance for the Department of Corrections on the requirements of the Prison Rape Elimination Act (PREA) of 2003 and compliance with the Prison Rape Elimination Act National Standards.

PROCEDURE
I. Prison Rape Elimination Act (PREA)
   A. The Prison Rape Elimination Act (PREA) signed into law in 2003 is found in 34 U.S.C. Chapter 303, Prison Rape Elimination, and established the requirement for the adoption of national standards for the prevention, detection, and reduction of sexual abuse and sexual harassment in confinement. (See 28 CFR Part 115, Prison Rape Elimination Act National Standards.)
   B. This operating procedure applies to all staff, contractors, volunteers, offenders, and all persons who conduct business with the Virginia Department of Corrections (DOC).
   C. Compliance with PREA is a priority for the DOC and this agency strives to provide a safe environment where offenders are free from sexual misconduct and makes every effort to detect, prevent, and reduce sexual abuse, assault, harassment, and misconduct.
      1. The Director has designated the PREA/ADA Supervisor as the statewide PREA coordinator to work in the office of the Chief of Corrections Operations with sufficient time and authority to develop, implement, and oversee DOC efforts to comply with the Prison Rape Elimination Act (PREA) National Standards in all DOC facilities. (§115.11[b], §115.211[b])
      2. Regional PREA Analysts have been designated to oversee facility efforts to comply with the PREA National Standards and to direct facility PREA activities within their assigned Region.
      3. Each Facility Unit Head has designated a PREA Compliance Manager, with sufficient time and authority, to coordinate the facility’s efforts to comply with the PREA National Standards. (§115.11[c])
   D. The DOC has a Zero Tolerance Policy that strictly prohibits any fraternization, sexual misconduct by staff, contractors, or volunteers with offenders, or between offenders as defined in this operating procedure. The DOC actively works to prevent, detect, report, and respond to any violation. (5-ACI-3D-14; 4-4281-6; §115.11[a], §115.211[a])
      1. All staff, contractors, and volunteers are expected to provide a positive role model for offenders, promote a safe, secure, and healing environment, and observe the rules of conduct established in Operating Procedure 135.2, Rules of Conduct Governing Employees Relationships with Offenders, when interacting with offenders. (5-ACI-3D-14; 4-4281-6)
         a. Any behavior of a sexual nature (abuse, assault, harassment, misconduct) between staff, volunteers, or contractors, and offenders, regardless of consensual status, is prohibited and may be prosecuted under the Code of Virginia. (4-ACRS-6A-05; 2-CO-1C-11)
         b. Sexual conduct by staff, volunteers, and contractors with offenders is a violation of COV §18.2-64.2 and §18.2-67.4.
         c. Staff are further subject to a Group III offense under Operating Procedure 135.1, Standards of Conduct. Termination is the presumptive discipline for violations.
            i. Any violation of Operating Procedure 135.2, Rules of Conduct Governing Employees Relationships with Offenders, will result in disciplinary action as outlined in Operating Procedure 135.1, Standards of Conduct, and the staff member may be subject to possible criminal prosecution.
            ii. Staff with knowledge of fraternization or sexual misconduct by staff, contractors, or volunteers with offenders have a duty to report, and any staff member who fails to report such behavior may be subject to disciplinary action.
2. Through contracts and Board of Corrections operating standards, facilities and jails that contract for
the confinement of DOC offenders must include in any new contract or contract renewal the entity’s
obligation to adopt and comply with the PREA standards. (§115.12[a], §115.212[a]) Any new
contract or contract renewal will provide for DOC contract monitoring to ensure that the contractor is
complying with the PREA standards. (§115.12[b], §115.212[b])

3. DOC has zero tolerance for offender-on-offender sexual harassment, assault, or abuse. (4-ACRS-6A-
05; 2-CO-1C-11)
   a. Sexual harassment, assault, and abuse by incarcerated offenders is prohibited and subject to
disciplinary action per Operating Procedure 861.1, Offender Discipline, Institutions, and
Operating Procedure 940.4, Community Corrections Alternative Program, and may result in
criminal charges.

   b. In deciding whether to assign a transgender or intersex offender to a facility for male or female offenders, and in making other housing and programming assignments for transgender and intersex offenders; staff will take into consideration whether an assignment would ensure the offender’s health and safety, and whether the assignment would present management or security problems. (§115.42[c], §115.242[c])

      i. A transgender or intersex offender’s own views with respect to their own safety will be given serious consideration. (§115.42[e], §115.242[d])

2. Facility staff must take reasonable steps to ensure offenders who are limited English proficient, are afforded meaningful access to all aspects of the DOC’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment to include providing interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.

3. Facility staff cannot rely on offender interpreters, offender readers, or other types of offender assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the offender’s safety, the performance of first-response duties under, or the investigation of the offender’s allegations. Video Remote Interpreting (VRI) should be utilized to effectively communicate with deaf offenders when American Sign Language interpreters are not available on-site.

4. Facility staff should consult with their PREA Compliance Manager and Regional PREA Analyst, as necessary, to obtain information on available resources to provide equal opportunity and meaningful access to offenders with disabilities and offenders who are limited English proficient.
