 - 1. The Personal Property Officer is responsible for the control of inmate and CCAP probationer/parolee personal property, including inventory and search of personal property, adding or deleting property, identifying property, and disposing of property.
 - 2. The Personal Property Officers are responsible for keeping accurate inmate and CCAP probationer/parolee personal property files.

- A. Every inmate and CCAP probationer/parolee must sign the *Notification of Release of Liability* 802_F3 as a condition of possessing personal property while confined in a state correctional facility.

 - 2. Staff must upload the original *Notification of Release of Liability* as an external document, identified as a *Special Entry*, in the *Facility Notes* section of VACORIS with a copy provided to the inmate or CCAP probationer/parolee.
 - 3. Inmates and CCAP probationers/parolee are not permitted to possess personal property in a DOC facility until they sign the *Notification of Release of Liability* 802_F3.
