

PREA: Detecting, Reporting, Preventing

Offender – on – Offender Nonconsensual Sexual Acts

Contact between the penis and vagina or the penis and the anus including penetration, however slight; or contact between the mouth and the penis, vagina or anus; or penetration of the anus or genital opening of another person by a hand, finger or other object.

PREA: Detecting, Reporting, Preventing

Offender – on – Offender Abusive Sexual Acts

Intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh or buttocks of any person. Incidents in which the intention is to sexually exploit (rather than harm or debilitate).

PREA: Detecting, Reporting, Preventing

Offender – on – Offender Sexual Harassment

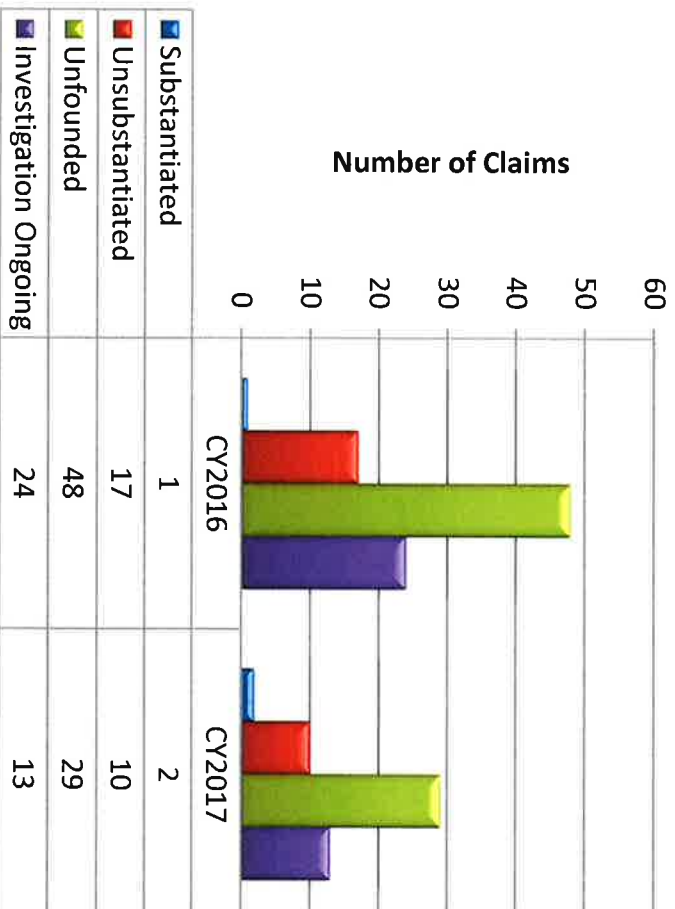

Repeated and unwanted sexual advances, requests for sexual favors, or verbal comments, gestures, or actions of a derogatory or offensive sexual nature by one offender directed toward another

PREA: Detecting, Reporting, Preventing

Staff Sexual Misconduct

Any behavior or act of a sexual nature, whether consensual or nonconsensual, directed towards an inmate by an employee, volunteer, official visitor or agency representative. Such acts include: intentional touching of the genitalia, anus, groin, breast, inner thigh or buttocks with the intent to abuse, arouse or gratify sexual desire; or completed, attempted, threatened, or requested sexual acts; or occurrences of indecent exposure, invasion of privacy or staff voyeurism for sexual gratification.

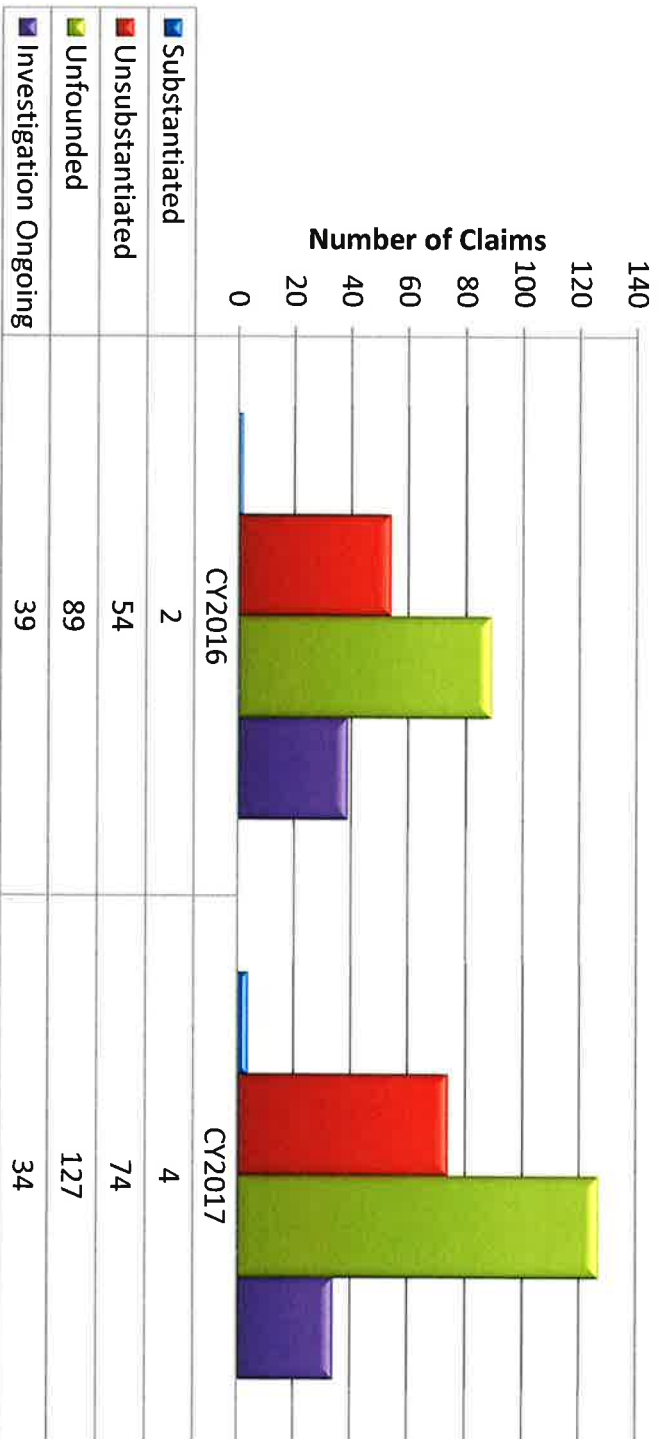

PREA: Detecting, Reporting, Preventing

Staff Sexual Harassment

Repeated* verbal statements or comments of a sexual nature to an inmate by an employee, volunteer, official visitor or agency representative. Such statements include demeaning references to gender or derogatory comments about body or clothing; or profane or obscene language or gestures.

*Please note that in 2014 the definition change eliminated repeated

Corrective Actions

Central Region

- **Stafford Diversion Center**
 - Facility wide range cameras for monitoring were installed
- **Coffeewood Correctional Center**
 - One mirror has been added this year to view the blind spot in Ms. Lawson's office outside of Grievance office. This also allows you to see Ms. Lawson's area from the hallway of that same wing. No additional cameras have been added.

Corrective Actions

Central Region

- **Virginia Correctional Center for Women**

 - Harrisonburg Men's Diversion added a mirror in the kitchen to assist with monitoring.

Corrective Actions

Western Region

- **Keen Mountain Correctional Center**
 - Keen Mountain has undergone renovations in offender housing units A and B Buildings to include camera system upgrades. In both of these housing units, there are now five cameras per pod (four fixed cameras and one 360°). A 360° camera was added in each vestibule and three cameras in each stairwell for a total of 27 upgraded cameras per housing unit. The control panel was also upgraded in A and B Buildings which allows a quicker access in the cells.
- **Patrick Henry Correctional Center**
 - Patrick Henry installed a mirror in the kitchen area to help eliminate a blind spot. A partition was added between A&B dorms to block viewing in the bathroom area. Another row of stain/painted glass was added to the shower windows to stop accidental viewing of offender while showering.
- **Cold Springs Detention & Diversion Center**
 - Cold Springs Detention installed one camera on the outside back door of the facility and six cameras inside and outside of the Spectrum buildings. Two mirrors were placed on the wall between the Dorm Control and back door surrounding the kitchen area. Also, a window was added on two office doors.

Corrective Actions Continued
